FOLIO | Embodied Beauty
Poppy & Taupe

FOLIO: Interface Design Studio has created a group of supplementary assets that show our newest products in a variety of spaces representing every segment, as well as demonstrate both aspirational design capabilities or practical application in any space—all driven by our launch palettes. Also included is a color placement guide, which shows the position and percentage of hues of each product colorway—serving as a quick and helpful visual reference for customizing color.

EMBODIED BEAUTY COLLECTION

Product Launch Poppy & Taupe Palette
