

STUDIO FOLIO

Interface®

Multi Residential I

Elevate any space with custom capabilities from the Interface Design Studio. This FOLIO illustrates how customizing our standard flooring offering can create a unique aesthetic with the latest styles from Interface.

Here's what you'll find:

- Curated product in inspirational, of-the-moment color palettes
- Floor design ideas for a variety of spaces
- Rendered imagery that brings it all together

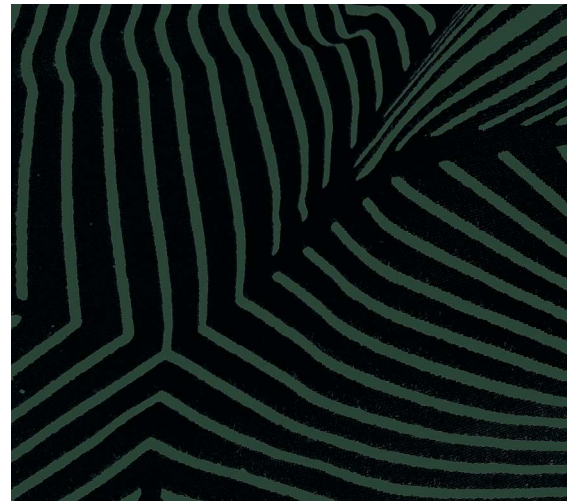

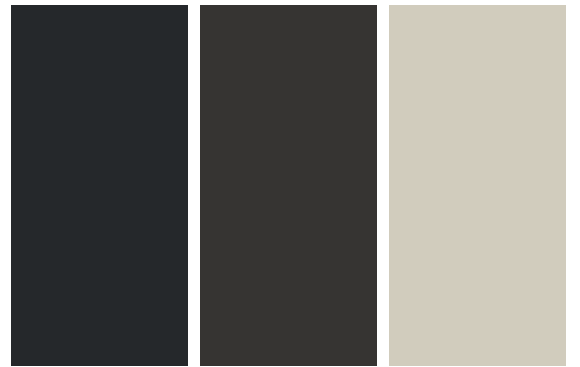

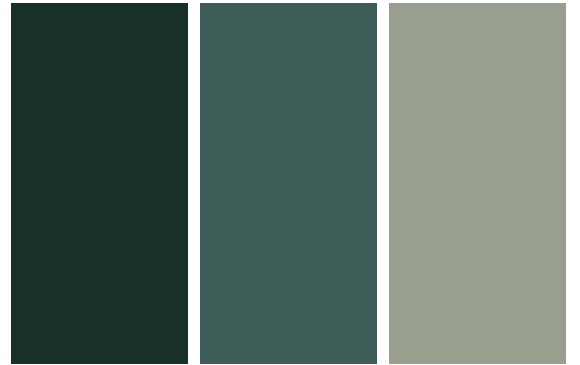

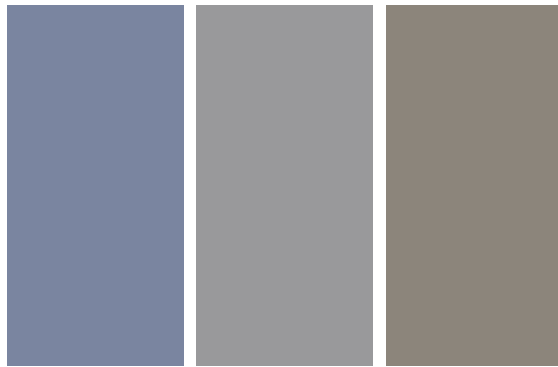

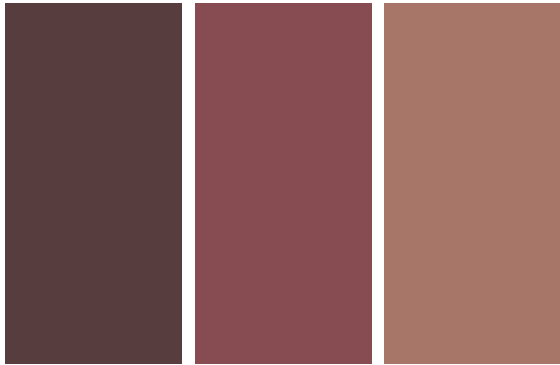

Partner with our team of designers from start to finish for a space that is uniquely livable.
