

STUDIO FOLIO

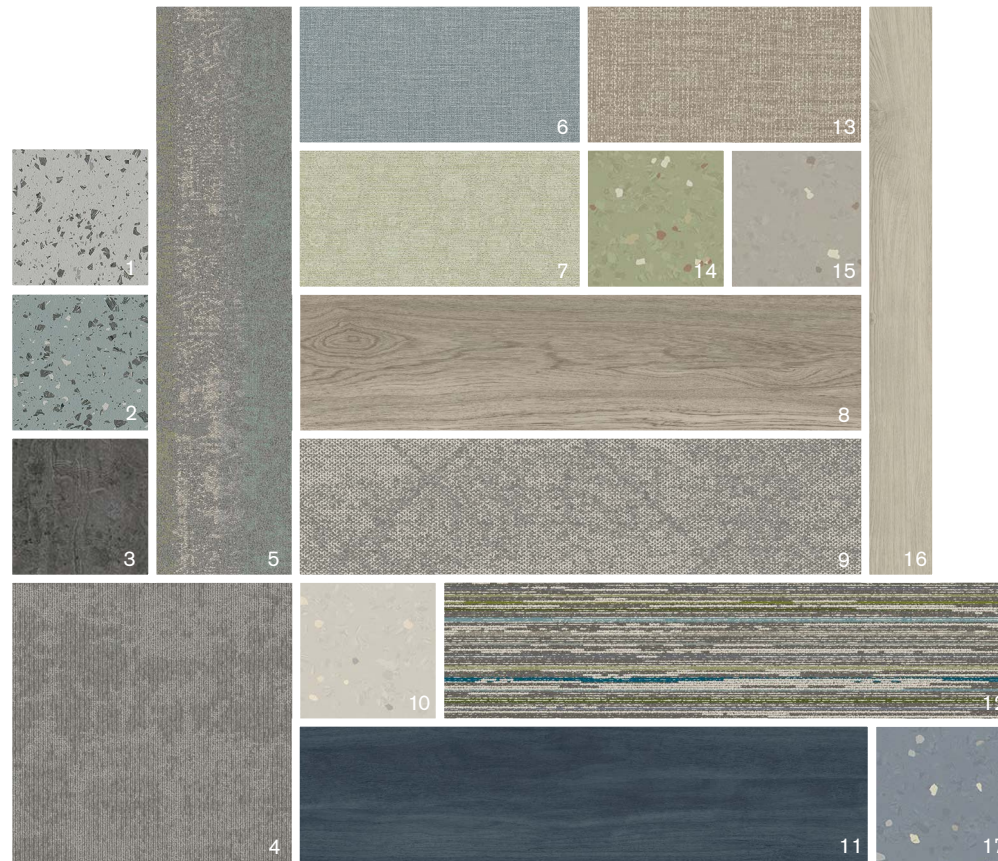

Healthcare II

Our portfolio of products – nora® rubber, LVT, carpet tile and vinyl sheet work together for a flooring system that performs in virtually any healthcare environment. Whether a high function space or private waiting room, our flooring solutions are designed with the highest standards of safety, while providing ease of maintenance and minimal downtime. And with our knowledge and expertise, we offer comprehensive support programs that will help mitigate risk of flooring failures and costly delays.

Need product fast? QuickShip offers hundreds of our most popular flooring options available to ship within just 10 business days, including nora rubber, LVT, vinyl sheet, and carpet tile. Our local team of experts will provide curated solutions in a range of price points that create a beautiful, and cohesive look throughout your healthcare space.

Delivering the lowest carbon footprint in the industry, we are dedicated to running our business in a way that reverses global warming and paving the way for other companies, so together we create a climate fit for life. nora rubber, LVT, carpet tile, and vinyl sheet flooring products are carbon neutral across their full product life cycle through our third-party verified Carbon Neutral Floors™ program.
