

Cleanroom Suitable Flooring Materials

Performance Benefits:

- No coatings, does not require a finish – ever
- Meets ISO standards
- Hygienic flooring system
- Chemical and stain resistant
- Eases the stress of walking and standing for less musculoskeletal fatigue
- Slip resistance reduces incidents of slip, trip, falls
- Simple maintenance and repair protocols to minimize downtime

Sustainability Benefits:

- Contributes to better indoor air quality with products that are GREENGUARD Gold certified
- Third party verified carbon neutral across the full product life cycle through our carbon neutral floors program

nora is a global leader in the design and production of high-performance rubber flooring solutions. We can help you match performance characteristics to every square foot of your facility.

And, our technical support team can consult with you before, during and post-installation. They can also help develop a maintenance plan that extends the floor's life and lowers the total cost of ownership.
