

Cold Rooms (norament[®] xp[™] and xp trac[™]) Installed to -30°F

Performance Benefits:

- Slip resistant, reducing slip, trips and falls
- Simple maintenance and repair protocols to minimize downtime
- No coatings, does not require a finish – ever

Sustainability Benefits:

- Contributes to better indoor air quality with products that are GREENGUARD Gold certified
- Third party verified carbon neutral throughout its entire life cycle as part of Interface's Carbon Neutral Floors program

nora is a global leader in the design and production of high-performance rubber flooring solutions. We can help you match performance characteristics to every square foot of your facility.

And, our technical support team can consult with you before, during and post-installation. They can also help develop a maintenance plan that extends the floor's life and lowers the total cost of ownership.
