

# noram<sup>®</sup> xp trac<sup>™</sup> Flooring in Washrooms for cGMP Regulated Spaces

## Performance Benefits:

- Prevents long-term staining effects from solvents and caustic chemicals
- Drain seal/durability
- Non-porous, dense surface—staining and contaminants are easily eliminated with use of our nora pro clean<sup>™</sup> system
- Pre-engineered system—consistent, reliable performance across the entire floor
- Comfort underfoot
- Slip resistant reducing incidents of slip, trip, falls
- No need for resurfacing
- Steris PACE Substrate tested and approved PACE4H058 to 24H060
- No thermal shock

## Sustainability Benefits:

- Contributes to better indoor air quality with products that are GREENGUARD Gold certified
- Third party verified carbon neutral throughout its entire life cycle as part of Interface's Carbon Neutral Floors program

nora is a global leader in the design and production of high-performance rubber flooring solutions. We can help you match performance characteristics to every square foot of your facility.

And, our technical support team can consult with you before, during and post-installation. They can also help develop a maintenance plan that extends the floor's life and lowers the total cost of ownership.
