

On Line™

Interface®

On Line™

On Line is the new graphic standard for the floor with its pure colour and bold proportions. Go for colour blocking—create a big splash or try colours that clash. Explore the fundamentals of flattery—earthy shades are the perfect companions to ground a brighter hue.

Vivid or subdued, On Line has the right shape to support the design. The Skinny Planks™ installed in ashlar method will present a broadloom look but with all the pluses of modular. A mixed composition of colours (note: add other styles and tile dimensions, too!), will bring an entirely different energy to the interior. In On Line, there is a broad spectrum of possibilities in service to your design and the identity you've imagined for your client.

Specifications

On Line™

Style Code	7335
Product Construction	Tufted Textured Loop
Yarn System	100% Recycled Solution Dyed Nylon
Machine Gauge	1/12
Pile Thickness	3.0mm +/- 0.5mm
Total Thickness	6.5mm +/- 0.5mm
Tile Size	25cm x 100cm
Area of Use	Commercial – Heavy Use
ACCS (Australia Only)	Commercial Extra Heavy Duty & Stairs
Lifetime Antimicrobial	Intersept®
Soil/Stain Protection	Protekt ² ®
Installation Methods	Ashlar, Herringbone

Carbon Neutral Floors™

All Interface manufacturing facilities in the Asia Pacific region maintain registration to ISO 9001 Quality Management Systems and ISO 14001 Environmental Management Systems.

Production specifications are subject to normal manufacturing tolerances and may be changed without notice. Slight variation in colour among different production lots are normal and should be considered in the overall installation plan. Products covered by manufacturer's written warranty only. All other warranties, including without limitation any implied warranties of merchantability or fitness for particular purpose, are hereby disclaimed. Contact your representative for written warranty information.
