

# Works Atom

**Interface®**

**Works Atom. Unusual Genius.**

Look very closely. You will see that the true genius of large, human or natural structures, is that they are created from the tiniest elements. Like particles, the random, small patterns of Works Atom from Works Series, create detailed accents to capture attention. A sequence of structurally brilliant designs, each Works Atom tile works smarter to make every spatial idea come to life and inspire in unusual ways.

The new Works Series has one vision, to work smarter together for every space. Every detail of Works Series works smarter to give greater versatility and drive value at the same time.

Combined with your ideas, each floor can create +Positive spaces™ which help their users thrive by letting them live, work, learn and regain inspiration every day. Each Works Series tile will prove to be the smart move for our planet's future too. As with every Interface product, they are Carbon Neutral, so they help you lower your carbon footprint with one positive step.

Specifications

Works Atom™

Style Code	2391 Pattern 000
Product Definition	Tufted Textured Loop
Yarn/Fibre	BCF Nylon Type 6
Colour System	100% Solution Dyed
Machine Gauge	1/12
Pile Thickness	2.5mm +/- 0.5mm
Total Thickness	5.5mm +/- 0.5mm
Tile Size	50x50cm
Area of Use	Commercial – General Use
Lifetime Antimicrobial	Intersept®
Soil/Stain Protection	Protekt2®
Installation Methods	Ashlar, Brick, Monolithic

Carbon Neutral Floors™  
All of our products are carbon neutral and our programme is verified by an independent third party, Bureau Veritas.

All Interface manufacturing facilities in the Asia Pacific region maintain registration to ISO 9001 Quality Management Systems and ISO 14001 Environmental Management Systems.

Production specifications are subject to normal manufacturing tolerances and may be changed without notice. Slight variation in colour among different production lots are normal and should be considered in the overall installation plan. Products covered by manufacturer's written warranty only. All other warranties, including without limitation any implied warranties of merchantability or fitness for particular purpose, are hereby disclaimed. Contact your representative for written warranty information.

As part of Interface's Mission Zero promise to eliminate any negative impact on the environment by 2020, we always consider the environment impact of every creative, manufacturing and building decision. This sample book is printed on recycled paper and with soy based ink. Twenty four virgin trees were saved from our use of 1725kg of recycled paper in the production of 5000 sample books. Energy intensity also decreased and greenhouse gases were reduced. The other reductions came from waste water and solid waste. Through our sample reclamation program, we help keep sample materials out of landfill by re-using them until it is time to recycle these sample materials.
