THAT  
MAKES  
SPIRITS  
RISE AND  
JAWS DROP.**

**LVT Product Catalog**

# MADE FOR IMPACT

**IMPRESS AND LAST? YOU BET. INTERFACE LVT HAS EVERYTHING YOU NEED TO TACKLE YOUR NEXT FLOORING CHALLENGE. CHOICE TO FIT YOUR DESIGN VISION? DURABILITY? NOISE CONTROL? IT'S ALL HERE.**

## **SEAMLESS INTEGRATION**

Our LVT and Carpet Tiles are crafted to work together – without transition strips. With endless pattern and colour options, blend hard surfaces and soft textures into stunning flooring designs that perform under the needs of each space. Our LVT comes in three formats: 50 x 50 cm, 25 x 100 cm and 50 x 100 cm.

## **QUIET COMFORT**

Keep noisy distractions at bay, with our integrated Sound Choice+™ backing. Bringing more acoustic technology to our high-performance LVT, it reduces impact sound by up to 19 dB.

## **STYLE, AND SAFETY, THAT WON'T FADE**

Every tile is equipped with Ceramor™ or Ceramor+™, ceramic bead coatings that resist scratching and scuffing. Styles with Ceramor+™ also include our next step in slip-resistant LVT technology, meeting R10 and providing a pendulum rating of 36+ in dry and wet conditions.

## **DRIVEN BY CIRCULARITY**

Plus, our LVT flooring contains 39% recycled content and a low carbon footprint of 6.8 kg CO<sub>2</sub>/m<sup>2</sup>, providing a responsible solution for sophisticated interiors.
