

Rugs

Interface®

Area Rugs

Spaces that emulate an interior style more akin to people's homes, a new aesthetic is emerging in workplace design. Workers are demanding a new level of quality and character.

Eclectic and creative environments that embrace warm, colourful tones and rich, tactile materials and finishes.

These spaces more comforting and welcoming.

Rugs that flatter and function

Interface products are the perfect solution for area rugs in spaces.

Our integrated system of carpet and LVT allow for seamless rug insets, and our carpet tile can float freely on any hard surface.

Get the look you want without compromising on performance or maintenance.

SIMPLE SASH - INDIGO
WALK OF LIFE - PUMICE

Transition-Free

The biggest advantage to using Interface products for your office area rug?

No transition strips.

Whether you're pairing carpet and LVT together or free-floating over a hard surface, follow our simple installation instructions to get started.
