MADE FOR MORE™

EN

Why do we say nora is Made for More? Because we're all about more performance. More design options. More experts on hand to help you: from bid document to aftercare. Even if you don't need us for decades, we'll be here. Tough where tough matters, gentle underfoot, nora is the flooring you want when design counts every bit as much as the science that goes into it. And when you want a product that doesn't compromise your project – or the planet.

DE

Wir sagen immer: nora ist Made for More. Warum? Weil wir mehr Performance anbieten. Mehr Designoptionen. Mehr Fachleute, die Ihnen weiterhelfen, bei Ausschreibungsunterlagen ebenso wie bei der Sanierung. Auch wenn Sie uns über Jahrzehnte nicht brauchen – wenn es drauf ankommt, sind wir für Sie da. Robust, wo es auf Robustheit ankommt, und sanft unter den Füßen – nora ist der Bodenbelag, den Sie sich wünschen. Ein Bodenbelag, bei dem es ebenso auf das Design ankommt wie auf die Forschung, die dahinter steckt. Und ein Produkt, das Ihr Projekt voranbringt und den Planeten schützt.

FR

Pourquoi disons-nous que nora est « Made for More » ? Parce que nous voulons plus de performance. Plus d'options de conception. Plus d'experts à votre disposition pour vous aider : du devis au SAV. Même si vous n'avez pas besoin de nous pendant des décennies, nous restons à votre disposition. Résistant là où c'est important, doux sous les pieds, nora est le revêtement de sol de choix lorsque le design compte tout autant que la technique qui le porte. D'autant plus lorsque vous souhaitez un produit qui ne compromette ni votre projet, ni la planète.

NL

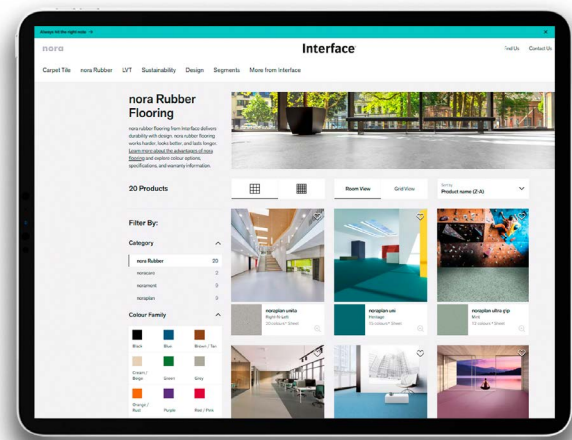

Waarom we zeggen dat nora Made for More is? Omdat we voor meer performance gaan. Meer design opties. En meer experts die je kunnen helpen: van de aanbesteding tot de nazorg. Zelfs als je ons jaren niet nodig hebt, zijn we er als dat wel zo is. Klaar voor heavy use of zacht onder de voeten, nora is de vloer die voldoet aan je performance- en designbehoefte. En als je een product zoekt dat je project – of de planeet – niet in gevaar brengt - dan ben je bij ons aan het goede adres.

ES

¿Por qué decimos que nora es Made for More? Porque representamos más rendimiento, más opciones de diseño y más apoyo profesional, desde la planificación inicial hasta el mantenimiento posterior. Incluso si no nos necesitas durante décadas, siempre estaremos a tu lado. Resistente donde se requiere durabilidad y suave bajo los pies, nora es el pavimento ideal cuando el diseño importa tanto como la tecnología que lo respalda. Además, es una solución sin riesgos para tu proyecto y que cuida el planeta.
