has successfully achieved C2C Certified® Full Scope Silver
for the product(s) under the name:

Interface AMS Carpet Tiles on CQuestBio/BioX backing with Aquafil Yarn

The scope of the certification covers the entire range of modular carpet tiles made with Aquafil yarns in a wide array of combination of yarn singles that can be mixed and matched to produce desired color combinations.

The following products or variations are excluded from the certification: products fabricated with non bio-based backing, products fabricated with non-certified Aquafil yarn-singles, and products fabricated with other suppliers' yarns
