

Works + Balance

Interface®

Works+ Balance. Structured style

Works+ is the next generation of the market favourite Works Series. Offering a complete package with more colourways and a superior specification. Co-ordinating designs to solve a wide range of flooring challenges.

Linear yet textured, Works+ Balance takes inspiration from the architectural perspectives of tall city skyscrapers. Our Skinny Planks format emphasises this structural feel, and eight colourways reinforce the urban theme, with variations on greys, dark blues and teal.
